---

Dear Business Associate.

This letter comes to you on behalf of the Turner Ridge Riders One Lunger Committee. The Turner Ridge Riders Snowmobile Club is – Non Profit Organization and our goal are to maintain safe and fully groomed trail system throughout the winter season. Our major fund raiser for the club is the Vintage One Lunger Race on February 15<sup>th</sup>, 2020. Even with all of our fundraising efforts, our program still depends on the kindness, support and generosity of our local communities and businesses to cover the cost of insurance, safety personnel, permits, awards and other race expenses. Being a non-profit, all money collected from membership and race fees, and all fundraising and sponsorship proceeds goes directly to the race program and the local trail system. Your support of the local snowmobile club is very much appreciated. Your support will enable us to provide a fun, safe snowmobiling event. Check out these great sponsorship opportunities.
